Our aim is to explore our fears together, to "break down barriers" between citizens by presenting each other's cultural and artistic values, to overcome the fears of ignorance and to strengthen tolerance. We introduce citizens to our common values through the presentations and narratives of our guests.

Strengthening twinning agreements, joint preparation of a network cooperation contract. All-day presentations /folk music, crafts, crafts, sports/ at 3 venues in the municipality. Cultural and programme presentations of partner municipalities.
